

USACE - New Orleans District

Certificate of Appreciation

is presented to

Leaaf Environment, LLC

For exceptional achievement in support of the Mississippi Valley Division's New Orleans District and the execution of the Hurricane and Storm Damage Risk Reduction System (HSDRRS) mission. The Leaaf Environment, LLC contractors' professionalism, competence, and initiative were instrumental to the successful execution in surveying of multiple sites critical to the completion of both design and the construction of the HSDRRS project.

Leaaf Environment's outstanding achievement is in keeping with the finest traditions of public service and reflects great credit upon the Leaaf Environment, LLC team, the U.S. Army Corps of Engineers, and the United States Army.
