Brownfields Environmental Investigation
And Cleanup Planning Services Petroleum and
Hazardous Brownfields Sites in East Baton Rouge
Parish (Solicitation No.: R10-003)

Dear Sirs:

Please except this letter of support for LeAAF's Environmental Services. The city presently has a contract with LeAAF for a Brownfields Clean Up Grant and their dedication and professionalism in performing services needed for this grant has been superior. All questions, concerns, and documentation has been answered in a timely manner and their assistance to us has been immense.

If you have any questions, please don't hesitate to call us.

Sincerely,

Hilda D. Curry
